WARNING OF RISK

Recreational activities/programs are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activity, participants must understand that certain risks, dangers and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and all other circumstances inherent to indoor and outdoor recreational activities/programs exist. In this regard, it must be recognized that it is impossible for the Minooka Parks & Recreation Department to guarantee absolute safety.

PHOTO POLICY

On occasion, the Minooka Parks and Recreation staff may take pictures or video of participants in our programs, classes or events. Please be aware that these pictures are only for Minooka Parks and Recreation use in future brochures, pamphlets, flyers or news releases.
