ROAD CONSTRUCTION NOTICE

RIDGE ROAD / WILDY ROAD

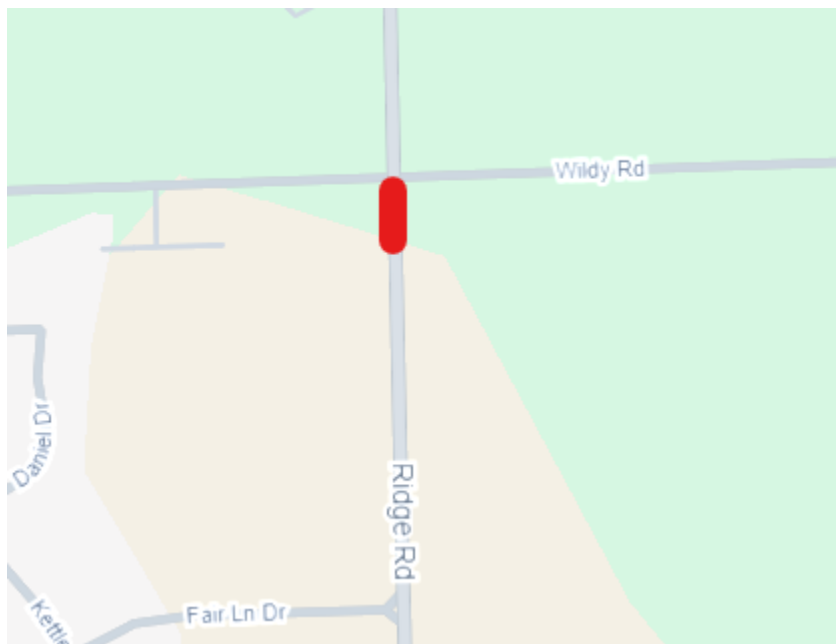

Starting Wednesday, October 7 and continuing through Friday, October 30, roadway improvements associated with the Equinix project will be taking place along Ridge Road and Wildy Road.

Construction is currently scheduled on weekdays from approximately 7:00 AM to 3:00 PM.

During construction hours, a portion of Ridge Road south of Wildy Road will be reduced to one lane, with flaggers directing traffic through the work zone.

Traffic-control barricades and signage will be in place during working hours. At the end of each workday, the traffic-control setup will be adjusted to allow both directions of travel on Ridge Road.

Motorists should use caution while traveling through the area.

We appreciate everyone's patience during this work and apologize for any inconvenience.
